Mess free painting!

Recommended for ages 6 months and above

Resources / Ingredients:

- Large clear plastic sealable bag
- Paints (whatever you've got)
- Sticky or masking tape

Instructions:

1. Simply add a few squirts of paint into a large sealable plastic bag.
2. Ensure its sealed well and stick the bag to the window with basic sticky tape or masking tape.
3. Your little one will be able to use their fingers to move the paint around but without getting messy.
