

Safe Behaviours Policy (Safeguarding Children and Young People)

Policy Statement

Y People commit to creating a child-safe culture and maintaining a child-safe environment.

Y People will maintain the highest standards of professional conduct in their attitudes and behaviour toward children and young people, participants, colleagues and members of the community. Y People understand their objective is to empower children and young people by being positive role models and advocating for their voices to be heard.

Introduction

We are committed to safeguarding children and young people in our care and ensuring that they feel safe and are safe at the Y, in their homes and in their communities. Accordingly, we wish to ensure that our Y People strive for the highest possible standards with respect to safeguarding children and young people from abuse.

To that end we have developed this Safe Behaviours Policy to identify clear expectations for behaviour towards and in the presence of children and young people, and so prevent, behaviour that may be harmful to the children and young people in our care.

It is important to remember that some under 18-year old's may also be Y Canberra Region Employees or Volunteers (Y People), therefore this policy must be applied to them also.

Y Safeguarding have developed our national Safe Behaviours that align with our values and safeguarding commitment. There are three "Safe Behaviours" posters available for Y People to use including a child and teen friendly version. All Y people must complete a "Safe Behaviours" training session within the first twelve months of their employment.

On the final page of this policy you will find a copy of this document.

We respect and support the diverse needs of all children and young people including those who are Aboriginal and Torres Strait Islander, are from culturally and/or linguistically diverse backgrounds (CALD), have a disability or identify as Lesbian, Gay, Bisexual, Transsexual, Queer, Intersex or Asexual (LGBTQIA+). Children and young people's ideas and responses to diversity are influenced by what they see and hear around them. This is why we ensure diversity and inclusion is reflected in everything we do at the Y

Policy

This Safe Behaviours Policy has been developed to protect children and young people engaged in Y Canberra Region Activities, Programs and Services, and has been formally approved and endorsed by the Y Canberra Region CEO.

You should read this Safe Behaviours Policy in conjunction with the specific requirements of your role as defined in your 'position description' statement. Our relevant policy and procedure documents, include:

- Safeguarding Children and Young People Policy 2020
- Safeguarding Procedure – Responding to Child Abuse Reports and Allegations
- Applicable laws and legislation, including in relation to privacy, confidentiality, information sharing and record keeping.
- General community expectations in relation to appropriate behaviour between adults and children.

As part of your commitment to observing this Safe Behaviours Policy you will be required to sign a Y Safeguarding - "Safeguarding Children and Young People Commitment Statement". To extend upon this we also have an e-commitment which provides guidance around how you will interact with children and young people online.

We consider a failure to observe this Safe Behaviours Policy as misconduct, and will take appropriate disciplinary action against any offending Y People. Such disciplinary action may, depending on the seriousness of the misconduct, include suspension while matters are investigated and/ or dismissal. In addition to any internal disciplinary proceedings, we will follow our Mandatory Reporting and Reportable Conduct requirements, and will report to the police all instances in which a breach of the law has or may have occurred.

There may be exceptional situations where this Safe Behaviours Policy does not apply, for example, in an emergency situation. However, it is crucial that, where possible, you seek management authorisation prior to taking action that contravenes these guidelines or that you advise management as soon possible after any incident in which this Safe Behaviours Policy is breached.

Sexual Misconduct

Under no circumstances is any form of ‘sexual behaviour’ to occur between, with, or in the presence of, children or young people participating in any Y Canberra Region Activities and Programs. Engaging in sexual behaviour while participating in our service is prohibited even if the young persons involved may be above the legal age of consent.

Sexual behaviour needs to be interpreted widely, to encompass the entire range of actions that would reasonably be considered to be sexual in nature, including but not limited to:

- ‘Contact Behaviour’, such as sexual intercourse, kissing, fondling, sexual penetration or exploiting a child through prostitution
- ‘Non-Contact Behaviour’, such as flirting, sexual innuendo, inappropriate text messaging, inappropriate photography or exposure to digitally shared pornography or nudity.

Positive Guidance (discipline)

We strive to ensure that children and young people participating in Y Canberra Region Activities and Programs are aware of the acceptable limits of their behaviour so that we can provide a positive experience for all participants. Children are encouraged to feel safe and be safe, and have positive relationships and friendships with their peers.

Wherever possible, children and young people are encouraged to ‘have a say’ (UN Rights of a Child – Article 12) and participate in all relevant organisational activities, especially on issues that are important to them. Children and young people are given information about their safe participation in organisational activities including access to information about child abuse prevention programs. (e.g. business cards, posters, curriculum planned experiences and community activities.)

However, there are times when Y People may be required to use appropriate techniques and positive behaviour guidance strategies to ensure:

- An effective and positive environment
- The safety and/or wellbeing of children, young people or Y People participating in Y Canberra Region Activities and Programs.
- Following steps on any Positive Behaviour Support Plans where required.

We require our Y People to use strategies that are fair, respectful and appropriate to the developmental stage of the children or young people involved. The child or young person needs to be provided with clear directions and given an opportunity to redirect their behaviour in a positive manner.

Under no circumstances are our Y People to take disciplinary action involving physical punishment or any form of treatment that could reasonably be considered as degrading, cruel, frightening or humiliating.

Reportable conduct covers allegations or convictions of child abuse or misconduct toward children. Organisations must report allegations of reportable conduct by an employee or volunteer, including: ill-treatment of a child (such as emotional abuse or use of force) neglect.

Supervision of Y People (Under 18 Years of Age)

An employee and volunteer under the age of 18 is still considered to be a child or young person for the purposes of this policy and other Safeguarding policies. However, for the protection and the safety of all people at the Y Canberra Region there may be times when their status is that of an employee and volunteer for the purposes of ratios or other safety.

In these scenarios, the under 18-year-old continues to be encompassed within the Safeguarding Children and Young People Policies. Therefore, two (2) fully vetted over 18-year-old Y people must be present when an under 18-year-old is either employed or a volunteer.

Use of Language and Tone of Voice

Language and tone of voice used in the presence of children and young people should:

Supervision

Y People are responsible for actively supervising the children and young people to which our organisation provides Y Canberra Region Activities and Programs to ensure those participants:

- Engage positively with Y Canberra Region Activities and Programs.
- Behave appropriately toward one another.

Our Y People are required to avoid one-to-one unsupervised situations with children and young people to whom we provide services, and (where possible) to conduct all activities and/or discussions with service recipients in view of other Y People.
